5. Public Comment

Ms. Padilla informed the committee that Mr. Konduru was here to speak to the committee regarding his PE Endorsement application. Mr. Konduru's application had not been approved at the November 2012 meeting because it did not meet the educational requirements.

Mr. Konduru explained to the committee that in India they do not require as much math and science requirements while obtaining a degree because prior to working towards the degree they must take two years of mostly math and science courses. He presented a copy of a college transcript that he had not previously submitted to the board for review. He also stated he had a Master's degree in electrical engineering and had nine years of work experience in the United States.
