D. Units - the conversion of other units of credit to PDH units is as follows:

- (1) One college or unit semester..... 45 PDH;
- (2) One college or unit quarter hour..... 30 PDH;
- (3) One continuing education unit..... 10 PDH;
- (4) One hour of professional development in coursework, seminars, or professional or technical presentations made at meetings, conventions, or conferences..... 1 PDH;
- (5) for teaching, apply multiple of two (teaching credit is valid for teaching a course or seminar for the first time only; teaching credit does not apply to full-time faculty);
- (6) Publications:
 - (a) each published peer-reviewed paper or book in the licensee's area of professional practice..... 10 PDH;
 - (b) each published paper or article other than Subparagraph (a) of Paragraph (6) of Subsection E of 16.39.2.8 NMAC in the licensee's area of professional practice..... 5 PDH;
- (7) active participation in professional and technical societies (each organization) 2 PDH;
- (8) each patent..... 10 PDH;
- (9) One hour of outreach activity..... 1 PDH (max [4] 6PDH/biennium).

E. Determination of credit - the board has final authority with respect to approval of courses, credit, PDH value for courses, and other methods of earning credit:

- (1) credit for college or community college approved courses will be based upon course credit established by the college;
- (2) credit for qualifying seminars, workshops, professional conventions, and courses/activities may be recommended by the professional societies;
- (3) additional criteria for credit determination shall be included in the board policy.

F. Record keeping - each licensee is responsible for maintaining records that support credits claimed is the responsibility of the licensee. Records required include but are not limited to:

- (1) a log showing the type of activity claimed, sponsoring organization, location, duration, instructor's or speaker's name, and PDH credits earned;
- (2) attendance verification records in the form of completion certificates, paid receipts or other documents supporting evidence of attendance;
- (3) proof of membership in a technical organization issuing a publication as a part of its membership fee;
- (4) a log indicating the medium used for a technical review, the subject of the review, the author or sponsoring organization, the date the review was conducted, a brief written summary of the contents of the

reviewed material and the time spent on the review;

(5) the organization sponsoring a civic or community activity, the date and location of the activity, the subject of the activity and the licensee's involvement in the activity. These records must be maintained for a period of three years and copies may be requested by the board for audit verification purposes.

G. Exemptions - a licensee may be exempt from the professional development educational requirements for One of the following reasons:

(1) new licensees by way of examination or comity/endorsement shall be exempt for the first year directly following the issuance of their license; PDH requirements will be prorated for any remaining portion of the licensing period beyond One year from the date of initial licensure;
