Hello,

The proposed language is already incorporated I have attached the documents for your review.

Just an FYI there are not a lot of changes in 16.39.2, 16.39.3 16.39.5 and 16.39.8. Each document has about 3-4 changes. 16.39.6 has the majority of the changes.

Sincerely,

Thanks Isaac. I've downloaded the summary of changes.

When will added/removed language, as described below, be documented so I can review them?

MM

Good afternoon Mike Martin,

Unfortunately, we do not have the changes stricken with red lines,

The proposed changes will be as follows:

If we are adding language the new language will be underlined. If we are taking out language the language will be in brackets and have a strike through.

Within the notice there is a summary of the changes.
