PROFESSIONAL ENGINEERS AND PROFESSIONAL SURVEYORS
FOR THE STATE OF NEW MEXICO**

IN THE MATTER OF:

Case No. LW-12-27-2022

**LAWRENCE WILSON
License No. PS-21524**

Respondent,

PRE-NCA SETTLEMENT AGREEMENT

WHEREAS, Lawrence Wilson (hereafter, "Respondent") is licensed in New Mexico under the Engineering and Surveying Practice Act, NMSA 1978, §§ 61-23-1 through 61-23-34 ("the Act"), and is subject to the jurisdiction of the New Mexico Board of Licensure for Professional Engineers and Professional Surveyors ("Board"); and

WHEREAS, the Board received information in regard to Respondent's alleged violation of the Act; and

WHEREAS, the Board found sufficient evidence to refer the matter to its administrative prosecutor and requested that a Notice of Contemplated Action ("NCA") be issued against Respondent; and

WHEREAS, Respondent is willing to resolve this matter in an amicable fashion and without the issuance of an NCA, but in the event the Board does not accept the agreement, a NCA will be issued pursuant to the Uniform Licensing Act, NMSA 1978, Sections 61-1-1 through -37 ("ULA"), which will state that the Board has sufficient evidence which, if not rebutted or satisfactorily explained, would justify the Board taking disciplinary action against Respondent; and

WHEREAS, Respondent is willing to resolve this matter without the need for, and time and expense of, a formal hearing conducted; and

WHEREAS, the Board's administrative prosecutor believes that this proposed Settlement Agreement (the "Agreement") is appropriate and in the best interest of the Board:

THEREFORE, IT IS AGREED AS FOLLOWS:

1. **Jurisdiction:** Respondent is licensed by the Board or otherwise subject to the jurisdiction of the Board and its Professional Engineering and Professional Surveying Committees.
2. **Voluntary Agreement:** Respondent enters into this Agreement knowingly and voluntarily, without duress or coercion, and after a full opportunity to consult an attorney. 3. **Board Approval:** This Agreement requires Board approval. If the Board rejects this Agreement, the Board may proceed with a full evidentiary hearing as scheduled by the Board in a subsequent notice. The approval shall be effective the date this Agreement is signed by the Board or its designee.
4. **Waivers:** If this Agreement is accepted by the Board, Respondent agrees to waive any and all rights under the Uniform Licensing Act, NMSA 1978, §§ 61-1-1 to -37, including but not limited to the right to an evidentiary hearing, the right to discovery, the right to present evidence, the right to call and cross examine witnesses, and the right to judicial review.
5. **Violations:** Respondent does not admit but acknowledges that there is sufficient evidence for the Board to impose disciplinary action as to the following charges:

 - b. Respondent shall notify the Board within 90 days of the imposition of any disciplinary action by any other applicable licensing board.
7. **Non-Compliance:** Respondent understands and agrees that failure to comply with the terms of this Agreement will result in further Board action. Any violation of this Agreement will result in the immediate, automatic filing of an administrative Notice of Non-Compliance by Board staff. Upon the filing of a Notice of Non-Compliance, the matter shall be scheduled for the next public meeting of the Board, at which time the Board shall hear from Board staff regarding the alleged non-compliance. Respondent shall have the opportunity to address the allegations or offer any other relevant argument or evidence regarding the reasons for non-compliance. Such argument or

Any presentation regarding the Notice of Non-Compliance shall be limited to evidence surrounding Respondent's alleged failure to comply with the Agreement. Upon finding such violation occurred, the Board may suspend Respondent's license(s), provided that this suspension may only remain in effect until such time as the Respondent has complied with the terms of this agreement, or take other enforcement action as permitted by law. If Respondent's non-compliance constitutes acts that are prohibited under the Board's statute or rules, the Board may also a new disciplinary action and refer that matter for administrative prosecution.

8. **Reportable Discipline:** Respondent understands that this Agreement constitutes formal disciplinary action by the Board, and will be reported to the National Council of Examiners for Engineering and Surveying ("NCEES"). Other jurisdictions where Respondent possesses an engineer's or surveyor's license might require Respondent to report this disciplinary action.
9. **Public Record:** This Agreement and the original complaint are public records and may be provided for inspection if requested, pursuant to the New Mexico Inspection of Public Records Act ("IPRA"), NMSA 1978, Sections 14-2-1 to -12.
