

NM BOARD OF LICEENSURE FOR PROFESSIONAL ENGINEERS AND PROFESSIONAL SURVEYORS

2 HOUR ETHICS ROUNDTABLE FOR 2026

The New Mexico Board of Licensure for Professional Engineers and Professional Surveyors is offering a 2-hour ethics roundtable for Professional Engineers and Professional Surveyors. The event will cover various topics in relation to the New Mexico Engineering and Surveying Practice Act and Rules. All sessions are free, but there are limited spaces for each session, so please register to guarantee your spot.

The Ethic Roundtable is being held on the following days and times:

October 6, 2026 10:00 a.m. through 12:00 p.m.

Virtually on [Microsoft Teams](#)

October 14, 2026 10:00 a.m. through 12:00 p.m.

In-person [Albuquerque, NM](#)

November 4, 2026 9:00 a.m. through 11:00 a.m.

Virtually on [Zoom](#)

November 17, 2026 1:00 p.m. through 3:00 p.m.

In-person [Las Cruces, NM](#)

December 11, 2026 2:00 p.m. through 4:00 p.m.

Virtually on [Microsoft Teams](#)

To begin the registration process, please click on the blue link above for the selected date you wish to attend and complete the required questionnaire.

**There is limited setting for both virtual and in-person registration,
please ensure to register early.**

Please note: Once you complete the questionnaire, you will receive an email containing the ethics roundtable information.
